

DISCLAIMER

These documents were prepared for Legacy, Inc. (a not-for-profit organization) by the University of South Alabama (USA), the University of North Alabama (UNA), Auburn University at Montgomery (AUM) Troy State University (TSU), and the Tennessee Valley Authority (TVA) through the Alabama Department of Environmental Management in cooperation with teachers in Alabama and Tennessee and the U.S. Environmental Protection Agency (EPA). USA, UNA, AUM, TSU, TVA, EPA, and Legacy, Inc. are equal opportunity and affirmative action employers. These partners also ensure that the benefits of programs receiving their financial assistance are available to all eligible persons regardless of race, color, national origin, handicap, or age.

Neither the teachers, EPA, USA, UNA, AUM, TSU, TVA Legacy, Inc., nor any persons acting on their behalf:

- a. make any warranty or representation, expressed or implied, with respect to the use of any information contained in this document, or that the use of any information, apparatus, method, or process disclosed in this document may not infringe on privately owned rights; or
- b. assume any liabilities with respect to the use of, or for damages resulting from the use of any information, apparatus, method, or process disclosed in this document.

This document does not necessarily reflect the views and policies of the above partners. The use of specific brand names or products should not be construed as an endorsement by any of the partners. The information utilized in this Sourcebook was taken from a variety of sources. Where possible, this information was verified and correctly cited by EPA Region 4 employees.

The employees of EPA Region 4 provided comprehensive technical and professional review services. This was made possible through the efforts of Angie Fugo and Jennifer Gardner, of the Water Management Division, who coordinated the review of the books and Wayne Aronson who coordinated the review of the CD-ROM.

If any of the information in this book changes, or is considered to be incorrect, please notify EPA Region 4, Water Management Division, 61 Forsyth Street, Atlanta, GA 30303-3104, 404-562-9900, and specify the recommendations. If you wish to have an appropriate environmental organization listed as a resource in this program, please call or write EPA, Region 4 and indicate what the organization does or has to offer.
